POP-UP MUSEUM IN A BOOK
CONSTRUCT YOUR POP-UP MUSEUM IN A BOOK

1 - Cut out all the images you would like to put in the museum, be careful not to cut off the tabs!

2 - Fold the building shapes in half, press down firmly and cut off the corners at an angle

3 - Open up the images, fold the tabs back and put glue or tape on them

4 - Stick the tabs of your pop-up piece in a V shape using the grid lines as a guide

5 - Line up the fold with the centre of book and stick all your building pieces in the same direction
